Suicide, Inc – Numbered or not?

- With SINC numbered we will end next year on 294.
- Arguments:
 - It wasn't picked through the normal show selection process.
 - Sideshow isn't.
 - It won't be performed in the Playhouse.
 - Sideshow isn't.

- Recent shows like this (Vagina Monologues, America Abridged) weren't numbered.
- Neither done entirely by us, like SINC will be.
- Other shows we were helping an external group.
- Will this distinguish it?
- The producer call was never put out, it was chosen.
- This was motivated by a need to only spend money if we had a guarantee.
- Freshmen aren't allowed to be involved, why number it in the 86th season if isn't

available to them.

- There is nothing about numbering in the constitution / bylaws.
- When Abridged was going on the consensus was we weren't funding it, don't

number it.

- We're funding this.
- How will it affect going to the 300th show?
- It'll be about the same.
- PASSED 24 – 5 – 2
- Numbering shows bylaws will be added to the next E-Comm meeting.
